

Cookie Policy for the fusionbrain.ai Website

This Cookie Policy for the fusionbrain.ai website (hereinafter referred to as the "Policy") contains information on how the Operator and/or a third party authorized to process your personal data in accordance with the Personal Data Processing Policy on the website <https://fusionbrain.ai>, uses cookies when operating the fusionbrain.ai website (hereinafter referred to as the "Website").

The Operator, within the framework of this Policy and when using the Website/Platform, is LLC "Dalee Media", located at: 77 Butyrskaya St., Savelovsky District, Moscow, 127015, Russia.

By clicking the "Agree" button and continuing to use this website, you consent to the processing of your cookies. You can also opt out of cookie processing; however, such refusal may affect the proper functioning of the Website.

What are Cookies?

Cookies are small pieces of data that the Website requests from the browser used on your computer or mobile device. Cookies reflect your preferences or actions on the Website, as well as information about the user's device, session date, and time. Cookies are stored locally on your computer or mobile device. If desired, you can delete stored cookies via your browser settings.

What Types of Cookies Do We Use?

Type of Cookies	Description
Session Cookies	Temporary files that are stored in the User's browser only while they are on the Website. After that, these cookies are deleted. Session cookies allow the website to remember information about previous user choices to avoid re-entering information.
Persistent Cookies	Stored on the User's computer and are not deleted when the browser is closed. Persistent cookies can save user settings for a particular Website, allowing these preferences to be used in future browsing sessions. These cookies allow identifying the User as a unique visitor to the Website and help remember information about the User and their past actions when returning to the Website.
Statistical Cookies	Contain information about how the User interacts with the Website, such as which pages are visited and which links are clicked. The main purpose of such cookies is to improve the functionality of the Website.
Essential Cookies	The minimum set of cookies necessary for the proper functioning of the Website.

How Do We Use Your Cookies?

Cookies are used for the following purposes:

- To improve the quality of the Website;
- To display more relevant information;
- To save user settings;
- To analyze website usage statistics.

How Do We Process Your Cookies?

Based on the collected data, we develop the most useful functionality, conduct statistical and marketing research, fix errors, and test new features.

Cookie Retention Period

Your cookies are processed in accordance with the purposes stated above and are subject to deletion once these purposes are achieved or when they are no longer necessary to achieve these purposes.

How to Opt Out of Cookie Processing?

You can opt out of cookie processing in your browser settings. In this case, the Website will only use the cookies that are strictly necessary for the functioning of the Website and its services. However, such refusal may result in incorrect operation of the Website/Application or certain functionality of the Website/Application.

What If You Have Questions?

If you have any questions regarding the processing of cookies, please contact us by sending an inquiry to the following email address: hello@fusionbrain.ai.
